RE: Incorporation of Oakhurst

Dear Mr. Smith,

The City of Madera is pleased to provide this letter of support for the incorporation of the Town of Oakhurst. On February 5, 2008, when residents cast their vote on this matter, they will have an opportunity to achieve the fundamental goal of self governance for the community. Never before have the people of Oakhurst had such an opportunity to ensure that they can have a unique voice and vision for their community.

The City offers its congratulations on working through the long process which has been necessary to make the February 5<sup>th</sup> vote possible. As voters cast their ballots, we know they will consider all of benefits that incorporation will bring. The value of having important decisions in Oakhurst being made by people in the community who are dedicated to its success cannot be overstated.

We look forward to the successful incorporation of the Town of Oakhurst and to working hand-in-hand with the community as the third incorporated City in Madera County.

Sincerely,

SALLY J. BOMPRESZI  
Mayor, City of Madera
